Joyce,

You asked me to do a verbal for the new task order. Normally, when I'm asked to do a verbal, the funds have been identified but in this case they haven't been. Is a PR on its way? Are we going to allocate from existing funds that are sitting on the contract? Please let me know as I would like to issue the verbal this afternoon. Thx.

Hi Richard – Here is the SOW for the new Task Order for this incident. There is not enough money obligated to the ERRS contract to cover it. We want to allocate \$500,000 but there is only approximately \$200,000 available. I left a voicemail for Mandi Rodriguez to see if she can assist in preparing a PR to obligate more funds to the contract. I will let you know as soon as the PR is underway. Thanks!
